This Month Visit:
Glaum Egg Ranch

Doug Glaum says "the tears come" when he thinks about how hard his father, Marvin Glaum, worked to keep his family's egg farming business in Aptos, California, going through tough times. Things have changed a bit since Marvin invented the egg vending machine (complete with dancing chicken puppets) that's still in use at Glaum Egg Ranch's processing plant. But the Glaum family's creativity, determination, and dedication to family farming are still at work, and the family business is going strong.
