Freedom Food - Welcome

Freedom Food is the farm assurance and food labelling scheme established by the RSPCA, one of the world's leading animal welfare organisations. The scheme is a charity in its own right, set up in 1994 to improve the welfare of farm animals and offer consumers a higher welfare choice.

- As a [consumer](#) you can show your support by choosing products with the Freedom Food logo.
- If you're involved in the food production industry take a look at the [producer section](#) to find out how your business can benefit.
