THE GOOD EGG AWARDS

REWARDING COMPANIES FOR SOURCING CAGE-FREE EGGS

Our Good Egg Awards celebrate companies in the EU who are switching to barn or free-range eggs, instead of eggs from caged hens. The awards are set to benefit over 15 million laying hens every year so far. Winners include Marks & Spencer, Waitrose, Sainsbury's, McDonald's, Unilever (including Hellmann's mayonnaise in the UK) and the National Trust.
