

SAVING A LIFE IS AS EASY AS ADOPTING A HOMELESS ANIMAL

Please, if you can save a life — a dog, cat, bird, mouse, fish, cow, chicken — anyone who needs a home, do so. Adoption is an important form of activism; they're in this mess because of us. The least that we can do is to take care of the ones we can.

Animal Rights: The Abolitionist Approach

The Abolitionist Approach to Animal Rights (1) requires the abolition of animal exploitation and rejects the regulation of animal exploitation; (2) is based only on animal sentience and no other cognitive characteristic; (3) regards veganism as the moral baseline of the animal rights position; and (4) rejects all forms of violence, including racism, sexism, ageism, heterosexism and speciesism, and promotes activism in the form of creative, non-violent vegan education.

Go vegan. Educate others. Adopt/foster.
