Farm Animal Care

program standards, which includes nutritious diet without antibiotics or hormones, animals raised with shelter, resting areas, sufficient space and the ability to engage in natural behaviors.

The Certified Humane® program is helping improve the lives of millions of farm animals.

See why USA Today called
Certified Humane® "The Gold Standard."

Certified Humane Raised & Handled® standards include that the animals are: fed a nutritious diet without antibiotics or hormones; raised with shelter, resting areas, sufficient space; and provided an environment that allows them the ability to engage in natural behaviors.

Redwood Hill Farm has actually been Certified Humane® since 2005, but have now made sure that all of the dairy farms that supply to them are too. This is an awesome achievement!
